### Monday:

If once you receive eternal life through faith in Christ it is possible for you to lose it, how would that impact your life?

### Tuesday:

If God does not love everybody the same, but loves the ones he saves in a special way, how would that affect your view of him?

### Wednesday:

If God made it so that it is impossible for some to believe in Jesus and be saved, how would that affect your view of him?

### Thursday:

Read John 12:32. How is it that Jesus being lifted up on the cross draws people to believe in him?

### Friday:

If God lovingly draws people through various means of attraction and invitation, what does that suggest about how we should do church? How should we deal with professing believers who are not Christlike?
